APPENDIX A

West Multnomah Soil & Water Conservation District

ADOPTED – Mission & Vision - ADOPTED

MISSION

We provide resources, education, and expertise to inspire people to actively improve air and water quality, soil health, and wildlife habitat.

VISION

Our vision is that all people in our district are informed and confidently engaged in the long-term caring for and giving back to the land. Everyone has the opportunity to connect or reconnect with the land, especially those who have been displaced from or deprived of land. People's engagement and connection to the land ensures clean water, clean air, healthy soil, and diverse habitats, for thriving communities and wildlife.
