The request for self-nominations was sent to our 400+ list of directors and staff on two occasions plus notice in our newsletter. We received only the applicants listed above. Terms are three (3) years. Because we staggered terms at 1, 2 and 3 years following the fall 2018 election, terms end accordingly. Both the NW Region and the Portland/Salem positions were appointees when former members of the board moved out of state. There will be positions open in 2021 and 2022 now filled from the 2018 election for other staggered terms as we have 9 total board members.

The board will meet December 17th, from 1:00 to 3:00 p.m. Officers will be selected by the board at that meeting.
