

West Multnomah Soil & Water Conservation District is seeking community members to join our Budget Committee

West Multnomah Soil & Water Conservation District is a local government public service district that provides resources, education, and expertise to inspire people to actively improve air and water quality, fish and wildlife habitat, and soil health. Our service territory includes Multnomah County west of the Willamette River, all of Sauvie Island including the Columbia County portion of the Island, and a portion of the Bonny Slope region of the north Tualatin Mountains in Washington County. The District's operating budget is \$2.7 million.

We are looking for people who reside and are registered to vote within the District to become citizen members of the District's Budget Committee. Meeting twice during the month of April, the Budget Committee annually reviews the District's proposed budget – as developed by staff – for the coming fiscal year (beginning July 1st). The Committee has the authority to make any changes it feels are necessary to fulfill the District's mission, and when finalized, approves a recommended budget to the District's elected Board of Directors. As such, Budget Committee members influence how to best allocate the District's cash and revenues during the upcoming fiscal year based on the unique perspectives they bring to the Committee. Service on the Budget Committee is voluntary and Oregon Budget Law prohibits the District from offering a stipend or other form of financial compensation for service.

We are especially seeking members who identify as Black, Indigenous, or other people of color, or are from organizations that represent or who otherwise identify as members of underserved, marginalized, or oppressed communities.

The Budget Committee has 14 members. Seven members are the District's elected Board of Directors, and seven are citizen members appointed by the Board of Directors. Currently one of the citizen member positions is vacant.

For 2023, the first Budget Committee meeting is scheduled for April 18th, from 6 to 8 PM. The second meeting, if necessary, is tentatively scheduled for April 25, 2023. Both meetings will be held virtually.

Appointed citizen Budget Committee members must meet the following requirements:

- Reside and are registered voters within the District's service territory.
- Willing to commit to serving a three-year term beginning in 2023.
- Demonstrate having an interest in the District's conservation work and the planning and budget process that supports this work.
- Demonstrate a commitment to working on a team.

An employee or someone directly benefiting financially from the District is not eligible to serve as an appointed citizen on the Budget Committee.

If you are interested in serving on our Budget Committee, please complete and submit online the Citizen Budget Committee Member Interest Form. You may also download and mail your form to: West Multnomah Soil & Water Conservation District, 3236 S Kelly Ave, Suite 200, Portland Oregon 97239. Forms submitted by Monday, February 6, 2023 will be reviewed first. Following the deadline, forms will be reviewed on a rolling basis, as needed.
